SEARCH AREAS AND CONDITIONS
<p><b>Search Areas</b> may be of any shape, and will be the size(s) required in the <i>Regulations for AKC Scent Work</i> and will be both indoors and outdoors.</p> <p><b>Search Area Conditions for these trials:</b> search areas will be accessed via long outdoor concrete, black top, earthen and gravel walkways from black top, concrete, or gravel parking areas. Interior hallways and walking surfaces may be tile, vinyl, carpet, concrete or gravel. Use of stairwells of variable surfaces and flooring may be necessary. Searches will take place rain or shine, but may be delayed, postponed or canceled in the event of lightning or extreme weather.</p>
ADDITIONAL SITE INFORMATION
<p><b>Trial Site.</b> It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.</p> <p><b>Possession of Odors and Training.</b> Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than in the designated warm-up area."</p> <p><b>Indoor Crating space will not be available.</b> All crating must be done from your vehicle. <b>TROCCW</b> and the <b>Wisconsin Lions Camp</b> will not be responsible for any lost or damaged items left at the show site.</p>

ADDITIONAL SITE INFORMATION (CONTINUED)
<p><b>Exhibitors are responsible for cleaning up after their dog(s).</b> Any exhibitor failing to do so may be excused without a refund of entry fees if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.</p> <p><b>Spectator Area.</b> Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes (if offered). No one outside the search area may assist the handler or disclose the location of the hide.</p> <p><b>Concessions.</b> Food will not be available for purchase at the trial site. You are welcome to bring a bag lunch to eat in your vehicle. Also, a few local bar/restaurants are located near the trial site in Rosholt, WI.</p>
STAGING AREAS, HANDLER'S BRIEFING, AND WARM-UP INFORMATION
<p><b>Staging Areas</b> will be out of view of search area(s). Staging areas will include indoor and outdoor, warm-up and waiting areas.</p> <p><b>Check In and Running Orders</b> will be posted in the main parking lot of the Wisconsin Lions Camp.</p> <p>At the judges' discretion a <b>Handler's Briefing</b> may be held prior to the start of the judging day or before a class begins, after the hide(s) have been set and after the Demo Dog has run. During the Handler's Briefing the judge will explain if there is an off-leash option, and as allowed per <i>Regulations</i>, the number of hides, maximum height of hides and maximum time for the search. <b>NO DOGS</b> may be present during the Handler's Briefing.</p> <p>A <b>warm-up area</b> will be designated by the event committee. One labeled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.</p>
